

KENTUCKY ENVIRONMENTAL EDUCATION CERTIFICATION PROGRAM

Application Form

Person applying _____

Address information for applicant (please include mailing address, phone, and email.)

Current workplace _____

I understand that the environmental education certification program is a rigorous program that will require a commitment of at least four 3-day workshops (Thursday through Saturday) and an additional time of approximately 30 hours for the independent study and the assessment process. There is a three-year time limit on completing the certification assessment process though applicants are encouraged to complete the program in the customary one-year period.
